Learning Skills

Learning to repair a motorcycle in Sierra Leone, West Africa, may not be a fast start on the road to riches but it is a big jump across the barrier of rural poverty into which most young men at the Moyamba Technical Training School were born.

REPAIRING MOTORCYCLES could put them on a better road.

Sierra Leone's per capita income is about $300 a year and only one in ten find paying jobs. The youngsters of Moyamba, thanks to the interest of Catholic Relief Services (CRS) of the United States, are on the road to a fuller life than was possible.

Vocational training is one of the important means of helping third world countries to help themselves. Catholic Relief Services, one of the leading voluntary agencies to specialize in relief and development, supports a variety of vocational training programs in Africa, Asia, Latin America and the Middle East.

Fidelity American Tops One Billion In Assets

LYNCHBURG - April 21 - Fidelity American Bankshares, Inc., a Virginia holding company with 15 members banks and seven non-bank affiliates, today announced that it has joined the ranks of corporations with assets over one billion dollars. Preliminary financial data just released shows that as of March 31, 1978, total assets numbered $1,042,895,000.

In achieving this level, the company also increased first quarter net operating income per share by 17.6% over that of 1977. Net operating income grew to $1.633 million or $0.60 per share for the first three months of 1978 from $1.297 million or $0.51 per share for the same period last year. Net income after securities transactions was $0.59 per share compared to $0.60 per share for the first quarter of 1977. The dividend for the first quarter was $0.25 per share of common stock, up from $0.24 per share for the first quarter of last year.

The largest contribution to the improvement in net operating income was due to a 14.5% rise in average loan volumes relative to the first quarter of 1977. Substantial increases in the average yield on both loans and securities were also significant factors in this income growth.

Net loan charge-offs were held to $81 thousand in the first quarter of 1978 as Fidelity American continued to benefit from an established system of credit review and monitoring. Through a provision for possible loan losses of $668 thousand, the company increased its reserve to $7.0 million or 1.15% of net loans and lease financing.

Alvin Clements, President and Chief Executive Officer, appraised the company's first quarter financial performance as encouraging and indicative of a solid positioning for the remainder of this year. "We have been Fidelity American strengthen steadily throughout the past several years," Clements observed, "and I look forward with optimism to a continuation of this trend in the months ahead."

The company will present a detailed review of recent performance and future plans at its annual stockholders' meeting at noon on Wednesday, May 3, in the Lynchburg Fine Arts Center. Other "mini-meetings" covering the same information will be conducted soon thereafter in Culpeper, Tidwater and Charlottesville.

Junior Class Prepares For Prom

The busy sounds of nails being hammered and paint being sprayed can be heard at Pam Taylor's house in Appomattox where one committee of the Junior Class is working diligently on the picture background for the 1978 Junior-Senior Prom.

This is only one of the many committees that are dedicating their time and effort for the Junior's major project for the year - the Prom. This main event is the highlight of the school year so many hours of hard labor are given by many willing people who want to make this year's prom the best ever at ACHS.

The theme of this year's prom is "Nights On Broadway" which is centered around various Broadway productions. Every committee has a different Broadway play to center their decorations around. The end result should be a mixture of many colorful and interesting aspects of Broadway that are known throughout the world.

The Junior Class would like to extend their gratitude to all individuals who have offered service to the creation of the 1978 Prom.

1st. Place Essay Winner

Sheryl Martin, a senior at ACHS, won first place in Regional Competition for her essay, "The Emerging World of Word Processing." Because she won first she was entitled to go to the State Conference which was April 14-16 at the John Marshall Hotel in Richmond.

The essays were judged Saturday morning; and while the suspense was building, the members at the conference went shopping in downtown Richmond and attended a banquet. Finally, it was time for the Awards Presentation; but, of course, Essays were halfway down the list of awards to be given. When the suspense was almost unbearable, Nelson Gutierrez, FBLA State President, announced the essay winners. The three top winners were called to the platform in random order and Sheryl was one of them. At last, the envelope was opened and the third place winner was named - it wasn't Sheryl. When the second place winner was announced and the name still wasn't Sheryl's the Appomattox section went crazy! She had won first place!

To complete the excitement, Sheryl may be attending the National Convention which is held in San Francisco the week of July 1.

SPORTS

BY BILLY CONNER

Mike Ferguson, son of Mr. and Mrs. Edward M. (Bully) Ferguson of Appomattox, proudly displays gold medal he received by winning the State A.A.U. Championship in boxing (11 year old class) last week-end in Virginia Beach.

Ferguson Wins Boxing Title

Mike Ferguson, 11 year old son of Mr. and Mrs. Edward M. (Bully) Ferguson, captured the State A.A.U. Championship for the 11 year old, 75 pound class on April 22 in the Virginia Beach Boxing Dome.

Mike surprised his opponent, Randall Whittaker from Norfolk, with his superior physical condition a result of the training he received during the past few months in the Appomattox Gym sponsored by the Jaycees.

Coach Marco Stone praised Mike and his willingness to follow instructions between rounds. At the beginning of Round 2, Mike rushed into Whittaker's corner, to the surprise of Whittaker and the fans watching, and knocked Whittaker down. From then on he was in complete command.

The coaching staff agrees that Ferguson is the smartest fighter they have coached and should have a long and illustrous career.

Cecil Hunter, age 15, is another Appomattox boxer that should be taken seriously. On the last night of the tournament Hunter found that he had a chance to win the bronze medal and decided to fight more aggressively. With this attitude he fought Cecil Sparks of Richland, Virginia with a fury that earned him the nickname, Hurricane Hunter.

Randy St. John, runner-up in the 13 year old group, ran into a right hand thrown by Mike Burton of Norfolk and was unable to regain his composure before a 10 count was rendered. Dean Hobson of Tidewater Amateur Boxing Association Club became the state champion in his age group by defeating Mitch Stone with a series of punchs to the head. The referee stopped the bout in the first round.

Instructor Marco Stone invites all boys who want to compete in state tournaments to start training immediately. He will welcome the opportunity to work with you.

Appo. Raiders Baseball Team Stack Up Two Victories

By Bill Vaughan

The Raiders gave up their losing streak by winning two baseball games against William Campbell and Altavista. Before hand the Raiders lost most of their games. But being true Raiders, the baseball team came back with two good victories.

The first game was against William Campbell. The Raiders had a fair hitting average, but made up for it in the field. The game was led by Buddy McFadden who hit two doubles and four R.B.I.'s. Most hits were made by Terry Woods, who now is leading the hitting average for the Raiders. The pitcher for Appomattox was Darrell Schrock, who did a nice job for the Raiders. Also, Freddy Mitchell and Andy Wingfield each hit one double with Freddy with one R.B.I. and Andy two. The final score of the game was Appomattox 11, William Campbell 7.

The second game against Altavista was a little tougher than the first. Both teams played a good defense up until the fourth ending when Altavista scored four runs. But Appomattox didn't give up. They had a come back in the fifth ending, scoring five runs.

The game was led by Andy Wingfield with 2 for 2 average and with 3 R.B.I.'s. Also, Woods hit one and with one R.B.I. Mike Wooten did an excellent job in pitching all seven endings. The Raiders now stand with two wins and one loss in the overall district.

Raiderettes Lose Close One

The Raiderettes, rained out on Tuesday and Wednesday, traveled to William Campbell Thursday, April 20. The Raiderettes scored 3 runs in the top of the first, but the Generalettes fought back with 5 runs in their half of the first and never gave up their lead.

The Raiderettes out hit Altavista is now 0-3 in the district.

Area 12 Special Olympics Scheduled For April 29th

More than 350 Special Olmpians, including a group from Appomattox County, will participate in the 1978 Area 12 Games on Saturday, April 29th at Lynchburg College.

Registration is scheduled at 8 a.m. with opening ceremonies at 9 a.m.

Among the dignitaries watching the event will be professional football players Manny Sistrunk and John Outlaw, both of the Philadelphia Eagles.

Saturday games will include, in addition to the group from Appomattox County, participants from the counties of Amherst, Bedford, Buckingham, Campbell, Cumberland, Prince Edward and the City of Lynchburg.

Special Olympics is a national program of sports training and athletic competition for mentally retarded children and adults.

Richard Ballowe, Area 12 Director, said the official sports events during the day will include track and field, swimming and gymnastics. Ballowe said volunteeers are still needed, "There is something for everyone to do, we need huggers, chaperones, and spectators." He explained that a hugger is someone who stands at the finish line and congratulates each participant.

Chaperones are assigned to be with one Special Olympian throughout the day.

In the event of rain, the program will be held in Wake Field House on the campus.

Terry Woods Leads Raiders In Hitting

Although the Raiders are not hitting as well as they were expected too as a team, some players have fared well at the plate. Terry Woods has the best average, to date, hitting safely seven times in twenty-two tries for a .318 average. He is followed by Andy Wingfield, 9/30, .300; Frank Tanner, 6/20, .300; Buddy McFadden, 8/30, .267; Jay Franklin, 7/25, .250; Freddy Mitchell, 3/13, .231; Darrell Schrock, 7/32, .219; and Mike Wooten, 7/33, .212.

Most base hits are credited to Andy Wingfield (9) including three home runs and four doubles. Buddy McFadden is a close second with eight hits including one triple and four doubles.

Wingfield also claims the RBI lead with eleven. McFadden has eight RBI, Wooten and Tanner have seven each.

RAIDER GOLF

Ronnie Robinson fired a 37 while Gordon Lawson, Reed Johnson, R. L. Harris, and Matt Ranson carded 39, 43, 46, and 46, respectively to lead the Appomattox Raider golf team to a 165-168 victory over the Liberty Minutemen on Monday, April 24. The Raiders played their best match thus far this season over the par 35 Colonial Hills Golf Course improving their record to 4-2. The Raiders next match will be on Wednesday, April 26 at Cedar Hills against the Red Devils of Rustburg.

William Campbell 17 to 13, but 12 walks and home runs by Cornelia Scott and Pam Carr were too much for the Raiderettes.

Annette Carter lead Appomattox with 4 hits and Berneta Moore went 3 for 3, scored 3 runs and had 4 ABI's. Debbie Smith, going 3 for 5, hit a tremendous home run over center.

Belinda Adams was the winning pitcher while Johnna Belter came in relief and absorbed the loss. The loss left the Raiderettes 0-2 in the district and 2-4 overall - William Campbell is now 1-1 in district play.

Dear Editor:

On May 2, 1978, Pamplin voters will elect a Mayor. I would like to express my concern, along with the concern of many other citizens that live just outside the Town of Pamplin.

The decisions made by town government affect all. I'm deeply grateful that we have Ralph M. Hamlett, native of Pamplin and a graduate of Appomattox High School, attended Central Virginia Community College and received his degree in Marketing Management from VPI & SU. in 1976, to be seeking this office. He is owner of Hamlett Quick Stop, a member of Pamplin Ruritan Club, Memorial Presbyterian Church, and active in Appomattox County Republican Party.

He is well liked by youth in Pamplin. I would like to see all registered voters come out on May 2nd and vote.

First Baptist

Regular Sunday morning worship was held on April 23 with Rev. Johnson delivering an inspiring sermon taken from the 20th chapter of the Book of Revelation. The subject of the sermon was "The Tree of Life."

A special prayer was offered for Sister Ella Brown who isn't doing well at all and for Terry Dillard who was scheduled to re-enter The University of Virginia Hospital on Monday, April 24. Our prayers go with him.

At the close of the regular service, the Cemetery Fund Rally was held with captains reporting. Mrs. G. L. James is in charge of this drive. Those who wish to make a contribution may contact Mrs. James.

On the fifth Sunday, April 30, there will be two special services held at First Baptist. At 11 Rev. H. Flood and the Gravel Hill Baptist Church choir will conduct a worship service for the benefit of the First Baptist Church Sunday School. At 3 there will be held a special musical program featuring quartets and singing groups from Lynchburg and surrounding areas. All are invited to attend these services and enjoy this form of spiritual joy.

A church meeting will be held on the second Thursday after the second Sunday in May at 7:00. The date is May 11, 1978. All church members are asked to be present.

On the second Sunday night in May, Rev. Kelso will preach a special Mothers Day sermon at 7:00. All are invited to attend.
